AIRTIME & ADVERTISING PACKET

At **EGO TV Network (a division of E.G.O. Entertainment Network)**, we are focused on providing fresh, new, original, and entertaining content of many genres from writers, filmmakers, producers, hosts, and more. As it stands for all divisions of E.G.O. Entertainment Network, EGO TV is not just for Hollywood content and the like, but for all amazing content creators.

This network was created as a tool for individuals with a heart to help and serve others to be able to reach the masses in a larger capacity and promote events, businesses, services/products while providing enjoyment and fun to the communities around the world through media and business. E.G.O. Entertainment Network is a multimedia network consisting of radio (JQLM RADIO), interactive digital magazine (E.G.O. Magazine), television (EGO TV), and LIVE media coverage and advertising. It was also created to provide a platform for those who would not readily have access to large platforms like Netflix, Hulu, BET, A&E, and other mainstream networks. We bridge the gap by creating a space to launch, support, and grow creator's goals. Creators put their content in front of our audience on EGO TV Network and take advantage of our advertising services across all of our platforms (radio, magazine, and television, including mainstream networks, i.e. BET, OWN, A&E, E!, CARTOON NETWORK, etc. through Comcast and AT&T U-verse). This network is also available on Roku, Amazon Fire TV, Android, Apple, and more.

We believe in helping others to support their dreams and working together in order to grow together. With our support, it not only gets you one step closer to putting your foot through the door for other mainstream networks, but it also continues to help us grow to become the mainstream network designed for us by us and affordable to us. At E.G.O. Entertainment, **EVERYONE IS A STAR!**

We have many opportunities at E.G.O. Entertainment Network in all divisions. We also support and get involved in community events around the United States. Yes, we travel!

With a variety of services and opportunities to choose from, we are sure you will be happy working with us. Navigate through our website to see all that is available to you and should you have any comments, questions and/or concerns, please feel free to contact us.
